Downloading the SDS app, allows club, highschool, college and MLB recruiters to **see your profile** in the national player database.

Create a free custom player profile with **verified video metrics** along with the ability to showcase your skills in a controlled environment . SDS is a one stop shop to maximize your recruiting on a platform built and designed by a team of baseball lifers.

Purchase the annual subscription to **UNLOCK** an offense and defense position specific drills package. For the first time, a recruiter will have the ability to see a player showcase your skills from multiple angles, along with slow motion videos.

In-app **direct communication** is a feature that cuts out flooded email boxes and all middle men. This feature will answer any questions a recruiter may have for a player.
